Ottawa. Ont.

Dear Sir,

Officers and members of the Ottawa Valley Mobile Radio Club would like to express thier appreciation to the Department of Transport and in particular to Mr. R.B.Spanton for his interesting discussion at the meeting of our Club on the 13 May 58. Mr.Spanton's presence did much to the better understanding of the latest Radio Regulations at present in force. Mr. Spanton answered questions which were of the interest to the radio amateurs. We hope that in the future Mr. Spanton or other representative of the Department will be able to address the members of this club again.

I am, Sir,

yours truly

(J.Erlend) VE3BBY
