

THE

Rambler

Vol. 1, No. 8

December 1958

MEETING

Time: Thursday, Dec. 11, 1958, 20:15 hrs.

Place: NRC Sussex St., room 3039.

Program: General Business

Reports of the Year

Rept of the nominating committee

Election of Officers for 1959.

Draw for a door prize.

Film if available.

This will be an important meeting and it is essential that we have a good turnout. The Nominating Committee will present a slate of people who have signified their willingness to act on the executive for the next year. More nominations will be received from the floor. Let's make this a good election.

The door prize indicated above seemed like a fitting way to end the year. True it depletes the treasury to a new low but is a good method of investment return. Some lucky member - and it will be by a drawing of the membership cards - will go home with a reflected power meter completely wired and working. Dig out your membership cards and join the fun.

We are hoping to have an interesting film pertaining to amateur radio if things work out. Also maybe some coffee for the rag-chew period.

ANOTHER SOCIAL EVENING

The other "social evenings" have been so successful and have not been financial losses that we are holding another on Friday, 19 Dec. at the Officer's Mess, HMCS Carleton. This is not the same place that we had before. It is bigger and better in every way. Refreshments will be available from the usual dispensary and food will be served later. The aftermath is anybody's guess. Tickets will be limited. Come and start the Christmas season properly.

SPLATTER:

Mobile activity seems to follow the weather. A few diehards still keep the Early Morning Net but fewer and fewer are on the Evening Traffic Tie-up Net. The last transmitter hunt on 3760 kcs on Nov. 23 was won by 3BST with 3DY as the hidden transmitter. Al Hampshire now has a call, 3BWM, and is blasting away on 40 meters. 3BST had a new addition added to his family in the last month. 3CAF has his Apache on the air and Dave, 3CIZ, is in the midst of one. 3CDG is waiting for his new house to be ready. We are sorry to hear that Eric, 3AK, has been ill in the hospital but is now on the road to recovery.

Keep it rolling and watch those traffic lights.
